## Space:Maker Silhouette™ - Features

- Incorporated modern continuous finger grip on all panels.
- Modern contemporary appearance
- Large 41mm diameter rollers and brackets for quiet operation and ease of adjustment.
- Design Registered Anti-jump guide prevents door panels from jumping off bottom track.
- Matching infill buffers on grip stile.
- Foot-friendly, easy-to-clean track.
- Ten year guarantee on frame and components.
- **Space:Maker Silhouette™** represents a variation of the Australian Design Award winning **Space:Maker Softline™** Sliding Wardrobe Door System
- Whisper quiet and rattle free operation.

## Perfectly Secure Panels

A Design Registered head guide and bracket system with inbuilt anti-jump feature ensures a totally secure door panel, which cannot jump the track and maintains a quiet rattle free door operation at all times.

## Panel Variety

**Space:Maker Silhouette™** is available in clear or tinted anti-shatter safety-backed mirror panels, plus an extensive range of coloured safety glass options.

## Safety

**Space:Maker Silhouette™** Sliding Wardrobe Door System is glazed to comply with the requirements of Australian Standards AS 1288 and or AS 2208

## Fully Incorporated Finger Pull Handle

Maintaining it's frameless appeal, **Space:Maker Silhouette™** has incorporated a finger pull (handle) into the grip stile design. Through innovative design, emphasis of modern contemporary aesthetics is achieved.

## Modern Contoured Cushioning

Matching infill buffer with grip stile eliminates metal to metal contact and gives **Space:Maker Silhouette™** a straight uncluttered modern appearance.

## Exceptional Value

Indulge your imagination and create the absolute premium wardrobe design at a surprisingly affordable price.

## Product Guarantee

**Space:Maker Silhouette™** components and frames carry a 10 year guarantee when used under normal operating conditions.

## Low Profile Bottom Track

**Space:Maker Silhouette™** features a foot friendly unobtrusive, low profile bottom track, which is easy to clean. Smart "V" groove design virtually eliminates roller side-play producing a smooth sliding operation.

## Whisper Quiet Roller Operation

Large 41mm diameter roller housed in a strong galvanised metal adjustment bracket, ensures ample roller adjustment and whisper quiet operation at all times. Open design and construction enables easy cleaning, reducing the accumulation of dust.

## Design Flexibility

Made to suit your individual requirements. **Space:Maker Silhouette™** wardrobes are suitable for either wall-to-wall, recessed or corner return installations. Constructed from high quality aluminium extrusions **Space:Maker Silhouette™** is designed to suit most situations and door heights up to three metres. (Please note: Bracing of door panels may be required for oversize applications).
