Infinity™ 1180 single and 1190 dual panel Bath Screen systems

INFINITY™ 1180/1190 Single and Dual Panel Bath Screens feature a revolutionary frameless design with adjustable wall channel, providing design flexibility and a high level of water splash resistance. Combined with a unique patented bracing system and adjustable patch hinge design for the dual panel configuration, INFINITY™ 1180/1190 represents the ultimate in frameless bath screen design.

Exceptional Value

Indulge your imagination and create an absolute premium bathroom design at a surprisingly affordable price.

Adjustment

Provides up to 10mm jamb adjustment for out-of-square walls for ease of installation and further cost savings.

Dual Panel

Allows leading or swing panel to fold against fixed panel when bath screen is not in use. Maintenance free and easy-to-clean operation.

Components

Component and design features combine to provide convenience and colour co-ordination.

- Hinges
- Snap Caps
- Glass/Wall Connectors

Water Resistance

INFINITY™ 1180/1190 can be specially made to include optional water splash seals, providing a high level of water resistance and minimising external splashing for a drier, safer bathroom floor.

Premium Quality

All INFINITY™ 1180/1190 components and fittings are manufactured from premium quality materials, which are guaranteed not to rust or corrode even in the most demanding bathroom environments. Contoured profiles and component designs are of uncompromised quality, providing a superb architectural appearance and finish to your bathroom.

Glass Size

Designed specifically for use with 6mm toughened glass.

Low Maintenance

Smooth contoured profiles minimise soap and residue accumulation, reducing the need for cleaning.

Design Flexibility

INFINITY™ 1180/1190 Bath Screen Systems can be designed for installation into most bathrooms. Ask your distributor for advice on a design to suit your needs.

Safety

INFINITY™ 1180/1190 Bath Screens are glazed to comply with the requirements of Australian Standards AS2208 and AS1288.

Colour Selection

Special colours available on request.

Unique hinge design allows the leading panel to swing through 180°, providing easy entry/exit from bath.
