Space:Maker Silhouette™

FRAMELESS SLIDING WARDROBE DOOR SYSTEM WITH FINGER PULL

Exceptional Value

Indulge your imagination and create an absolutely premium wardrobe design at a surprisingly affordable price.

Features

- Incorporated modern continuous finger grip on all panels.
- Modern contemporary appearance.
- Large 41mm diameter roller and bracket for quiet operation and ease of adjustment.
- Design registered anti-jump tracking device prevents door panels from jumping off the bottom track.
- Matching infill buffers on grip stile.
- Foot friendly, easy to clean track.
- Whisper quiet and rattle free operation.
- 10 year Guarantee on frame and components.
- **Space:Maker Silhouette™** represents a variation of the Australian Good Design Award® winning **Space:Maker Softline™** Sliding Wardrobe Door System.

Low Profile Bottom Track

Space:Maker Silhouette™ features a foot friendly unobtrusive, low profile bottom track, which is easy to clean. Smart v-groove design virtually eliminates roller side play producing a smooth sliding operation.

Panel Variety

Space:Maker Silhouette™ is available in clear or tinted anti-shatter safety backed mirror panels, plus an extensive range of coloured safety glass options.

Perfectly Secure Panels

Design registered head guide and bracket system with inbuilt anti-jump feature, ensures a totally secure door panel which cannot jump the bottom track, maintaining quiet rattle-free door operation at all times.

Whisper Quiet Roller Operation

Large 41mm diameter roller housed in a strong galvanised metal adjustable bracket, ensures ample roller adjustment and whisper quiet operation at all times. Open design and construction reduces dust accumulation and enables easy cleaning.

Design Flexibility

Made to suit your individual requirements. **Space:Maker Silhouette™** wardrobes are suitable for either wall to wall, recessed or corner return installations. Constructed from the highest quality Australian made aluminium extrusions, **Space:Maker Silhouette™** is designed to suit most situations and ceiling heights up to three metres. (Please note: Bracing of door panels may be required for oversize applications).

Safety

Space:Maker Silhouette™ Sliding Wardrobe Door System is glazed to comply with the requirements of Australian Standards AS1288 and AS2208.

Fully Incorporated Finger Pull Handle

Maintaining its frameless appeal, **Space:Maker Silhouette™** has incorporated a finger pull (handle) into the grip stile design. Through innovative design, emphasis of modern contemporary aesthetics is achieved.

Modern Contoured Cushioning

Matching infill buffer with grip stile eliminates metal to metal contact and gives **Space:Maker Silhouette™** a straight uncluttered modern appearance.

Product Guarantee

Space:Maker Silhouette™ components and frames carry a 10 year guarantee when used under normal operating conditions.
